1. As per Regulation 14 of IBC 2016-

Where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision.
