Sir,

Your attention is drawn to the reference (iv) cited, wherein EPF dues to a tune of Rs.15499/- was claimed by this office vide Form-C dated 14.03.2024. This was followed up with reminders on various dates i.e on 14.03.2024, 01.11.2024 & 07.05.2025 by postal services as well as through e-mail to your id '[subraman267@yahoo.com](mailto:subraman267@yahoo.com)' but no reply has been received from your end till date. The dues claimed is of insignificant amount and need not be kept pending so long.

You may agree that once claim is received from the Financial/Corporate/Statutory creditor, by the IRP/Liquidator, such claims should either be admitted or rejected with proper reasons. However, in the event of an inordinate delay it would have direct impact on the social security benefits due to the employees of the establishment. It is not out of place to mention here that the dues of the EPFO members have the first charge as per section 11(2) of the PF Act, 1952 and takes precedence over all the other debts. To be more precise, the contribution, interest and damages payable are statutory dues and not claims. Section 36 (4) of IBC rules makes that very clear to exclude the dues of EPFO from the liquidation estate.

It is therefore requested to confirm the status of the claim at the earliest to the undersigned within a week positively.

Yours Faithfully
