ABOUT THE COMPETITION

This event has been devised with the aim of creating the opportunity for the learning and development of jurisprudence on emerging trends in Insolvency and Bankruptcy law besides armouring the coming generation of the legal fraternity with research and oratory skills.

As a law school, HPNLU takes pride in developing academic and advocacy excellence among law students by appraising them about skills pertaining to the drafting of the memorials, articulation of arguments and answering the queries of the bench. This helps the students to grow as individuals and also motivates them to come forward and showcase their skillset. It acts as a catalyst for building confidence and enhancing the research and drafting skills of the students. The moot proposition of the competition will be based majorly on insolvency and bankruptcy laws and constitutional law; however, the participants will be expected to keep their research multidimensional and not restrict themselves to just one area of law.

HPNLU has successfully conducted two editions of HPNLU National Virtual Moot Court Competition in 2021, both of which saw a large participation by law students from all over the nation. We are delighted to venture into a new area of law and organize the first corporate law moot court competition. Despite these unprecedented times, we at HPNLU strive to maintain the record of excellency that we have achieved through the first two moot court competitions.
